

Drug Information Reference: Information is our middle name

Drug Information Reference

Fifth Edition

The DIR is the only drug reference available that provides:

- evidence-based evaluations of the most commonly used drugs,
- summaries of major clinical trials,
- nursing instructions,
- investigational uses,
- and the basic clinical facts needed to use a drug safely and effectively.

And it's Canadian!

Electronic version also available. For further information contact: B.C. Drug and Poison Information Centre, Phone: 604-682-2344 ext. 62126, Fax: 604-806-8603
